THE ROSEMOND REPORT

Dear Parents,

We begin Lent this week on Ash Wednesday. All of us will attend mass at 8:00. I hope you'll take a bit of time to discuss some small sacrifices (and also the possibility of good additions/kindnesses) that your child and your family might do during these next 40 days until Easter. We will be talking about prayer, fasting and almsgiving, during this time at school, but it's important to bring these ideas out into their wider "world" as well.

A reminder too, that all throughout Lent our parish has a great Fish Fry. Details are in the bulletin and online, but each Friday is an opportunity to have a good carry-out dinner and help our Boy Scouts too.

We will be testing most of this week and next. With that in mind, please provide a good breakfast and try and keep good bedtimes. I'm sure they'll all do well!

Yours in Christ,

Marianne Rosemond

Ms. Marianne Rosemond
St Antoninus School

Dear Ms. Rosemond,

I want to thank the students of St. Antoninus once again for their very successful book drive. A mountain of books was delivered to us this week. That is unbelievable and a great success on the part of the St. A student. Your students certainly stepped up and came through on their annual service project of collecting books. They exceeded our expectations and have filled our clinic book shelves with books to share with our families.

These books are given out to the families and children we serve in the inner-city clinic. We have come to learn many times these children have no books of their own in their homes. When they arrive at our clinic, they enjoy grabbing books to read while they wait and then are encouraged to pick a favorite to take home as their very own. Since we all know reading to your children at a young age is so very important, we also encourage the mothers to read to their very young children in the waiting room and offer them a book to take home for their infants and toddlers.

We are adding this year, a book donation to the Healthy MOM's and Babes van which serves families in many of the most underserved neighborhoods in Hamilton County. We have also reached out to Crossroads Health Centers and several inner city clinics. So, as you can see, these books go a long way and are really appreciated by many.

We cannot thank your students enough for their over-the-top success of collecting some well needed and certainly well appreciated books. Job well done St. Antoninus!

Sincerely,

Elizabeth Gay M.S.N., R.N.
