THE ROSEMOND REPORT

Dear Parents,

I hope you've been enjoying the beautiful fall weekends! As active members of our St. Antoninus School and/or St. Antoninus Parish community, there is always something engaging to do! In just the past few weeks there have been cookouts, fireworks, many sporting events, a Chilifest, soccer & football Homecomings, Cub Scout mobile races, and a Red, White, and Blue Sock Hop for the Girl Scouts! I may have even missed some other events "after hours."

At school we've already had activities starting after school (various Lego Clubs, Scouts, the News Team, Blaze, and possibly more) and now plans are well underway for our evening Open House, on October 11, 6:00-7:30, for prospective new students for 2023-2024. Be sure to keep our weekly newsletter handy as we strive to keep you posted about things to come!

I realize that some girl's uniforms that were ordered haven't arrived just yet. I do want to emphasize to everyone though, that no matter what we're wearing as our uniform, collectively, we are the brand, St. Antoninus. Let us encourage the children to keep "putting on" kindness and dignity, to wear their daily school clothes properly and with pride- no rolling skirts, get haircuts, etc. too. There is a lot of pride and history to uphold! In fact, coincidentally, I'm meeting with some 80-year-old members of the St. Antoninus Class of 1956 this Wednesday night for dinner. Together we will all keep the "Jagitude" alive. May your children be able to visit in another 66+ years too.

Yours in Christ,

Marianne Rosemond

We are looking for additional volunteers to join the Schott Field Ground Crew. We currently have a group of 4 dedicated volunteers that handle just about all of the maintenance at Schott Field, but are looking to add at least 6-8 more. The more volunteers we have the less of a commitment it is on any one person. The activities involved would include, but not be limited to, working/dragging the baseball/softball fields, picking up sticks & fallen limbs, emptying trash, planning the spring and fall Schott Field clean up days, and basic ground beautification. Once we have our Grounds Crew pulled together a day of training on the equipment will occur, so please don't hesitate to join if you have never worked a baseball/softball field.

If you have any questions, please let us know Thanks!!! Rob Boeing, Athletic Club President (513-608-2930)
