## THE ROSEMOND REPORT

Dear Parents,

We were so very fortunate to have our beautiful weather day last Friday! Thanks to all who came to make Olympic Day such a fun day for all! All of the Moms got to have a pretty Mother's Day as well. I know your children are certainly thankful for each of you!

There is a Talent Show at school on Wednesday (5/17) in the afternoon. There are twenty-two acts, and we are inviting all of the classes and those parents who have students performing in the show to attend. The show is at 1:00 in the gym.

The last PTO Meeting for this year is on Thursday evening at 7:00 in the Undercroft. We will be saying a sad good-bye to some on the present PTO Board but we'll also be welcoming new board members. I look forward to seeing you at the meeting.

Have a great week!

Yours in Christ,

Marianne Rosemond

## **November 18th High School Placement Test (HSPT) – Preparation Opportunity**

Learn more and sign-up – [www.RedwoodPrep.com](http://www.RedwoodPrep.com)

Jim Telles and I have been partners in instruction for over 25 years at St. Xavier High School and will be **offering an HSPT preparation course** for interested 7<sup>th</sup> and 8<sup>th</sup> grade students (boys and girls) **at St. Xavier High School on Saturday, October 28th and November 4th**. The actual HSPT exam will be held on Saturday, November 18th ensuring the concepts and preparation learned in the course stay fresh for exam day.

This is an 8 hour preparatory course for the HSPT. The first 4 hours of instruction are offered on October 28th and the second 4 hours on November 4th. Students can register for the 8:00 AM – 12:00 PM or 12:30 PM – 4:30 PM session. The time slot that the student chooses to attend on October 28th is also the same time slot he or she will attend on November 4th. If inclement weather forces the cancellation of either weekend session, students are expected to be available on Saturday, November 11th for a make-up session.

Jim and I pioneered the study strategy course at St. Xavier High for incoming freshmen that welcomes over 300 kids over the summer. We enjoy teaching these programs and hearing about the great results our participants achieve. We work with *RedwoodPrep*, a group of educators with a nationwide HSPT preparation curriculum and program, to offer an HSPT preparation program here at St. Xavier High.

Students often go into the HSPT exam lacking formal preparation leading to poorer results and more stress. Our two day program comprehensively prepares students and addresses all the key topics in each of the exam's 5 major areas: Verbal Skills, Mathematics, Reading, Language and Quantitative Skills. We also teach students key test-taking strategies applicable to the HSPT and – just as importantly – future standardized exams as well (e.g., time management, answer choice elimination). By program's end, students will know how to tackle every type of problem on the HSPT and know how to navigate standardized exams more effectively and efficiently.

We look forward to working with you and wish you all the best with your high school admissions process,

Paul Rieselma
