THE ROSEMOND REPORT

Dear Parents,

It was certainly a great weekend of sports for our city and, of course, I cheered quite a bit about the Xavier win! Let's hope the Bengals keep going strong.

We have two *It's Academic Teams* representing our school at Elder H.S. this week! The Seventh Grade Team competes on Tuesday evening and the Eighth Grade Team competes on Wednesday evening. Go Jags!

It's certainly a busy and happy time here before Christmas! Our younger children are excited this week about their Christmas Concert on Wednesday evening and once they all go to Santa's Shop, they'll really be "spirited!"

The second candle of the Advent wreath represents the theme of **LOVE**. There are many ways to show love for others at this time of year. I know that many of you do all of those things, of course, but also know that our God always loves you. I can attest that you're certainly enough in your child's eyes. May we all try to see this special time (and yourselves) through their smiling eyes.

Yours in Christ,

Marianne Rosemond

♦ **CENTRAL PARISH OFFICE PROJECT**

Parish staff is joining together to more efficiently serve parishioners of all 5 parishes. For optimal efficiency, we need to unify our parish staff in one Central Parish Office. This carefully-planned renovation is an investment in our future together. The short-term and long-term return on this investment will be a trim, specialized staff that more appropriately covers the needs of our unified parish, including many areas that have been underserved by understaffed parishes in recent years and decades. Please prayerfully consider investing in the future of our unified parish by donating to the Central Parish Office project. See the website below for giving online. Thank you,
