THE ROSEMOND REPORT

Dear Parents,

Thanks once again to all for your understanding about our early dismissal needed last Friday. Parking was still at a premium that afternoon, so I believe it was a very necessary adjustment. We will have an extra additional way to show the Kumpf Family our support, and if you wish, with a donation, your child may come out of uniform this Thursday (2/29). We will have some other little things happening for leap day as well.

It's time once again for a new month at the end of this week, and our second report card of the year will go home this Friday! I hope you'll see some great progress academically, and as always, please highlight with praise any comments about good effort and/or behaviors too!

We've been enjoying spring-like temps for a little while now, and the week to come is forecasted to be mostly nice and warm as well. So far, we have only used one snow day this winter, and as you know, I increased our daily minutes this year. With that in mind, we will extend our Easter Break by one day and be closed on Monday, April 8, for all who wish to view the eclipse here in town or in other various locations.

Our approved school calendar for 2023-2024 is now ready to share and I will post it soon on our website www.stacatholicschool.org for your planning purposes.

Yours in Christ,

Marianne Rosemond

♦ **ST. X SUMMER CAMPS**

We are excited to offer a variety of summer camps where prospective students, boys and girls in grade school, will meet new friends, explore the St. Xavier campus and experience the core tenets of a Jesuit education. Through hands-on, community-based activities, St. Xavier's teachers and coaches promote fun summer experiences filled with learning opportunities. Minecraft, filmmaking, guitar, acting, makers space, and a variety of sports camps are offered.

Class of 2029 only: St. Xavier is offering the **Summer Enrichment Program**. Through a mix of academic, cultural, social, and athletic activities, the SEP provides an excellent opportunity for students to become acquainted with life at St. X. Students will make a film, break out of an escape room, and build and race a soap box derby car. Register your son today for a fun-filled summer of meeting future classmates and having fun. This program is offered to rising 8th-grade boys only.

Camps will sell out early so register quickly. Registration is now open at this registration link. <https://www.stxavier.org/academics/summer-camps>
