## THE ROSEMOND REPORT

Dear Parents,

There are many ways to observe Lent and one of the suggested things to do is almsgiving. We have an opportunity to do just that again this week. Children in each grade are bringing in change and dollars for the Penny War. If you are helping to fund your child's contribution, then do have them earn it by doing something helpful at home. It is more meaningful that way. All money collected goes to help fight Lymphoma and Leukemia.

Seventeen of our Seventh Grade Students will be competing in a speech contest at Seton High School Thursday evening. Members of seven other local grade schools will also have representatives in the competition. Our Eighth Graders competed last month, and did very well, and I'm sure we will be just as proud of this group too!

Students in Grades 5-8 will begin praying the Stations of the Cross, in church, this Wednesday, at 12:30. Grades 1-4 will do the same the following week on Wednesday at the same time. After next week, Grades 5-8 will repeat the process and then the next week Grades 1-4 will take another turn before we break for Easter. Everyone in Grades 1-8 has the opportunity to pray the Stations of the Cross twice. (Kindergarten will have their own time to learn and pray them, at their level, as well.) You're welcome to pray with us if you'd like.

Yours in Christ,

Marianne Rosemond
