We are so excited to have the everybody counts program again this year. This year everybody counts will be in the undercroft on April 7-10th. If you are not familiar with Everybody Counts it is a program that teaches kids about people with disabilities. It is run by parents. All scripts and materials will be provided. We need three volunteers for each class. This year we are asking that a parent be the lead for each grade level helping coordinators make sure everything is set. Volunteers will be asked to read from a script to the class or group. Then they will be asked to lead an activity and/or read a book with a small group. We will have a meeting to go over materials on April 3rd at 7pm in the undercroft. If you cannot attend the meeting please still volunteer. If you don't feel comfortable speaking in front of groups please email us and we will find a spot for you to help out. Heather Flick (hmfflick14@gmail.com) is coordinate everything for K, 2nd, 4th and 5th. Jessica Kappa is coordinating everything for 1st and 3rd (jesskappa@yahoo.com) We ask that all volunteers be safe parish trained.

We follow USA Football's coaches training and player safety guidelines, including the Heads-Up Football program. Coaches' certification are required at all levels. Our coaches further their training and certification in Concussion Awareness, Lindsay's Law practices, and Virtus training. Player Safety is our #1 concern. The creation of standard fundamental player skill sets at each level help our players to become better prepared and skilled in the sport of football. The game has changed, and we have changed with it! Evolving and teaching the right way!

There is nothing better than a Saturday afternoon at Schott Field watching our future stars play football with there buddies...its why we let them play!
