THE ROSEMOND REPORT

Dear Parents,

Our Lenten collection of cereals has grown to where the domino train on Wednesday should be lots of fun! Most importantly, our Family of Parishes school children, who need assistance, will receive a great treat to take home. If you haven't sent in a box or more, please do! Please also contact me if you have a larger van or SUV and wish to help with our deliveries.

Each grade level has prayed the Stations of the Cross during Lent to help recall our Lord's passion, death, and resurrection. There are many additional opportunities for your family to continue to enter into the spirit of Holy Week during the Triduum. See the bulletin for all of the details within our Family of the Most Holy Eucharist www.fmhe.org/bulletin.

We have waited a long while for our Easter Break. I wish all of you a very Happy Easter to enjoy with your family and friends. I hope too that your children, our St. A. Faculty, and Staff, all get to do some extra fun things next week!

Yours in Christ,

Marianne Rosemond

We follow USA Football's coaches training and player safety guidelines, including the Heads-Up Football program. Coaches' certification are required at all levels. Our coaches further their training and certification in Concussion Awareness, Lindsay's Law practices, and Virtus training. Player Safety is our #1 concern. The creation of standard fundamental player skill sets at each level help our players to become better prepared and skilled in the sport of football. The game has changed, and we have changed with it! Evolving and teaching the right way!

There is nothing better than a Saturday afternoon at Schott Field watching our future stars play football with there buddies...its why we let them play!
