## THE ROSEMOND REPORT

Dear Parents,

Happy Groundhog Day! It's great to be back in session and to welcome a new month! I know we enjoy time off, but I think we would all prefer right now to be here. We are still enjoying many things this week that were planned for last. Students may still follow the previously planned out of uniform days and will enjoy a Magic Show today. Each grade will still have Bingo sometime this week with me. I already enjoyed Bingo with Grades 1 & 8 together this morning! The Carnival will still take place this Thursday for Grades K-4 to cycle through in the morning, and on Friday we will still have the Spelling Bee after mass. Following the Spelling Bee, our Jr. High Students will have their Science Fair projects on display and hope to present them to visitors as planned. After lunch on Friday, Grades 5-8 will participate in a Cornhole Tournament.

Snow is still in the forecast for tomorrow afternoon and again at the end of the week. We will continue to follow **Oak Hills**. Should we need an early dismissal, we will use One Call email and Facebook to inform. I hope we can avoid this, but they may need to send buses earlier than our usual time. If your child is an Oak Hills bus rider normally, they will be sent on the bus, even for an early dismissal, unless you inform us of a different plan. Please be aware that CPS buses won't pick up students for an early dismissal, so if your child rides First Student, you will need a plan to be able to come earlier for your child/children.

Our Fourth Graders will take part in a National Test on Tuesday and we have some 8<sup>th</sup> Graders competing in a Speech Contest at Elder H.S. on Thursday evening. Please keep them all in your prayers.

Here's hoping for a great week!

Yours in Christ,

Marianne Rosemond
