THE ROSEMOND REPORT

Dear Parents,

The children this morning either looked sleepy or were wide awake talking about basketball and St. Patrick's Day coming tomorrow. Many brought in boxes of cereal for our Lenten collection, and all seemed to agree that it was cold today. My travels around the building always result in a few good stories...just ask anyone who attended PTO!

We will all be out of uniform tomorrow to enjoy wearing green! Not everything has to be green and yes, bottoms and tops are fine. We will begin the day with the Prayer of St. Patrick and end our day with an Irish Blessing. Hope you enjoy the day too!

Grades 1-4 will be praying the Stations of the Cross, in church, this Wednesday, at 12:30. If you're home and would like to join them, please do. Grades 5, 6, & 8 prayed the Stations last week, (Grade 7 was off) and will again next Wednesday at 1:50.) We alternate Wednesdays so that each half of the school will pray them at least twice before we leave for Easter Break.

Yours in Christ,

Marianne Rosemond

We follow USA Football's coaches training and player safety guidelines, including the Heads-Up Football program. Coaches' certification are required at all levels. Our coaches further their training and certification in Concussion Awareness, Lindsay's Law practices, and Virtus training. Player Safety is our #1 concern. The creation of standard fundamental player skill sets at each level help our players to become better prepared and skilled in the sport of football. The game has changed, and we have changed with it! Evolving and teaching the right way!

There is nothing better than a Saturday afternoon at Schott Field watching our future stars play football...its why we let them play! Please consider joining us!
