## THE ROSEMOND REPORT

Dear Parents,

Happy Holy Week! Tomorrow (3/31), we will honor all Spring Sports participants with a pep rally in the afternoon and allow them to wear their team jerseys to school. At the beginning of our get-together, we will be having our “Domino Cereal Train” for charity. It’s not too late to contribute! Tomorrow’s temperature is supposed to be 80 degrees+, so in addition, all students may wear their uniform shorts a day early, if they’d like.

On Wednesday (4/1), Grades 1-4 will be praying the Stations of the Cross at 12:30. You are welcome to come and join us.

We will dismiss at noon on Holy Thursday (4/2) for Easter Break. We won’t have lunch at school, so students may wish to have a packed snack with them. All families will need to make plans for pick-up that day. No buses will be provided here at noon.

I wish all of you a Blessed and Happy Easter and I’m sure our students and staff will have a wonderful Easter Break next week, rain or sunshine. May all stay safe and return to school refreshed and ready for the whirlwind that the end of the school year always brings!

Yours in Christ,

Marianne Rosemond

P.S. I’m including an attachment of the schedule of mass times and devotions for this Holy Week within our FMHE Parish Family. I hope you’ll be able to attend and celebrate with us!

### • EVERYBODY COUNTS

We are so excited to have the everybody counts program again this year. This year everybody counts will be in the undercroft on April 27-29. If you are not familiar with Everybody Counts it is a program that teaches kids about people with disabilities. We are redoing the whole curriculum and making to more current and interactive for kids. The program and activities are run by parents. All scripts and materials will be provided. We need three volunteers for each class. This year we are asking that a parent be the lead for each grade level helping coordinators make sure everything is set. Volunteers will be asked to read from a script to the class or group. Then they will be asked to lead an activity and/or read a book with a small group. We will have a meeting to go over materials on Thursday April 16th at 7pm in the undercroft. If you cannot attend the meeting please still volunteer. If you don't feel comfortable speaking in front of groups please email us and we will find a spot for you to help out. Heather Flick ([hmfllick14@gmail.com](mailto:hmfllick14@gmail.com)) is coordinate everything for K, 2nd, 4th and 5th. Jessica Kappa is coordinating everything for 1st and 3rd ([jesskappa@yahoo.com](mailto:jesskappa@yahoo.com)) We ask that all volunteers be safe parish trained.

We follow USA Football's coaches training and player safety guidelines, including the Heads-Up Football program. Coaches' certification are required at all levels. Our coaches further their training and certification in Concussion Awareness, Lindsay's Law practices, and Virtus training. Player Safety is our #1 concern. The creation of standard fundamental player skill sets at each level help our players to become better prepared and skilled in the sport of football. The game has changed, and we have changed with it! Evolving and teaching the right way!

There is nothing better than a Saturday afternoon at Schott Field watching our future stars play football...its why we let them play! Please consider joining us!
