

THE JAGWIRE

ST. ANTONINUS SCHOOL NEWSLETTER

April 13, 2026

THE ROSEMOND REPORT

Dear Parents,

All here (staff and students) are enjoying getting caught up with each other and hearing about what everyone did during the Easter Break. I hope you and your family had a nice Easter together. We are all ready now for the homestretch!

At the end of this week, our Eighth Grade Class will leave on their much-awaited trip to Washington D.C. I'm sure they'll be busy each day and make lots of memories. We wish safe travels for them.

You may have seen in the bulletin that I've "floated" out the request to find a part-time Spanish teacher. Our Business Manager said they were running an ad for our FMHE Parish Family and asked me if we had any staffing needs. I thought it couldn't hurt to ask within our community about this possible addition. My hope is to begin anew with our Jr. High classes first and then perhaps expand down through other grades. We'll see if this comes to fruition. If you know of anyone qualified and interested, please let me know. I'm very happy to report that all our other teachers have recently signed their contracts for next year!

Have a great week!

Yours in Christ,

Marianne Rosemond

St. Antoninus **JAGITUDE**

jag.i.tude /jag'i-tood

adjective:

A reference to how one carries themselves when full of the pride in being a St. Antoninus Jaguar.

(ex. They had a certain Jagitude about them.)

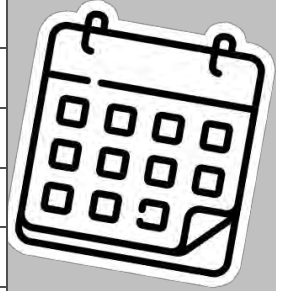

noun:

The passion it takes to be the best!

(ex. The other schools knew it was over when they showed their Jagitude!)

Group swim lessons session will begin on Thursday, April 23, Saturday, April 25 and Sunday April 26. With our adult certified swim instructors. See attached flyers. If you have any questions, please contact: amacke@mercyhealthplex.com/513-389-5498.

◆ **EVERYBODY COUNTS**

We are so excited to have the everybody counts program again this year. This year everybody counts will be in the undercroft on April 27-29. If you are not familiar with Everybody Counts it is a program that teaches kids about people with disabilities. We are redoing the whole curriculum and making to more current and interactive for kids. The program and activities are run by parents. All scripts and materials will be provided. We need three volunteers for each class. This year we are asking that a parent be the lead for each grade level helping coordinators make sure everything is set. Volunteers will be asked to read from a script to the class or group. Then they will be asked to lead an activity and/or read a book with a small group. We will have a meeting to go over materials on Thursday April 16th at 7pm in the undercroft. If you cannot attend the meeting please still volunteer. If you don't feel comfortable speaking in front of groups please email us and we will find a spot for you to help out. Heather Flick (hmflick14@gmail.com) is coordinate everything for K, 2nd, 4th and 5th. Jessica Kappa is coordinating everything for 1st and 3rd (jesskappa@yahoo.com) We ask that all volunteers be safe parish trained.

Please sign up with link-

mercyhealthplex.com

MERCYHEALTH

Queen City HealthPlex

Parent/Child • Ages 6 months– 3 years

Parents learn how to teach their children the basics of water comfort, submersion and safety. An adult caregiver is required to be in the water with each child.

- Thursday 6:30 pm
- Saturday 11:15 am
- Sunday 10:30 am

Preschool • Ages 3½-5 years

Sea Star Beginner

Students learn how to put their face in the water and blow bubbles from the nose and mouth. Freestyle, backstroke, flip swimming and floating are introduced at this level.

- Thursday 5:30 pm
- Saturday 9:00 am
- Saturday 11:45 am
- Sunday 10:00 am

Sea Horse Intermediate

Students begin to swim independently with face in the water and learn to breath by rolling onto the back. Students can jump into water over their head and swim back to “safety” (the wall) independently.

- Thursday 6:00 pm
- Saturday 9:30 am
- Sunday 11:00 am

Sea Turtle Advanced

Students can float independently and are comfortable with flip swimming. They are introduced to whip kicks and elementary backstroke. By the end of this level, students are proficient in treading water.

- Sunday 11:30 am

Learn to Swim • Ages 5+ years

Angel Fish Beginner

Students learn how to put their faces in the water while blow bubbles from the nose and mouth. Freestyle, backstroke, flip swimming and floating are introduced at this level.

- Thursday 7:00 pm
- Saturday 12:15 pm
- Sunday 12:00 pm

Betta Fish Intermediate

Students continue to work on freestyle and backstroke and become acquainted with the breaststroke, elementary backstroke and butterfly. Students learn about body position and proper stroke technique and are proficient in treading water.

- Thursday 7:30 pm
- Saturday 12:45 pm
- Sunday 12:30 pm

Clown Fish Intermediate/Advanced

Drills help students develop their stroke skills so that by the end of this level, they have knowledge of all four competitive strokes. They begin to work on flip turns, open turns and wall finishes.

- Thursday 6:45 pm

Sea Pups Advanced

Students prepare for swim team or advance their skills for swimming endurance and enjoyment. Strokes and turns are refined through drills and sets. Swimmers have a strong knowledge of the strokes and are ready to join swim team by the end of this level.

- Thursday 7:15 pm

Adults

Adult lessons cover everything from beginners learning water comfort to stroke development. Learn how your body works in the water, improve your technique and gain confidence swimming laps.

- Monday 7:00 pm
