THE ROSEMOND REPORT

Dear Parents,

Happy last Monday of the school year! I'm sure a change of routine without homework and hurried mornings will be a welcome change. I hope you enjoy the summer months together!

Our Festival Committee is readying for the Music Fest happening here on June 5, 6, & 7. I'm sure you've seen the yard signs out while driving in the area. I hope you'll volunteer at one of the booths and, of course, attend whenever you are able. It's always lots of fun to see everyone and there's great music each day.

During these summer months here at school, we will be adding air conditioning and getting many things ready for our 2026-2027 school year. When we return in the fall, we will be welcoming our new Kindergarten Students along with approximately 30 other new students! Many more friends to enjoy in each grade!

Thank you for your continued support of the faculty and our collective mission. It has been a great year of *prayer, faith, and learning*, and we count on everyone to continue all three until we meet again in August. Enjoy a good book (or many) too!

Best wishes for a great summer!

Yours in Christ,

Marianne Rosemond

As this is brand new for both of us, I ask that you be patient with us as we learn this new platform, but I am confident this will be so much more successful and easy to use. It's now live and ready for use - place your orders and give us some practice, haha!
